1	Waaree Energies Ltd.	<ol style="list-style-type: none"> <li>Documents required at the time of LOI.</li> <li>What about EMD and Cost of Bidding document for Bid Exemption</li> </ol>	<ol style="list-style-type: none"> <li>No documents required at the time of NOA/LOI</li> <li>Submission of cost of Bidding document and EMD is mandatory for all bidders.</li> </ol>
2	Dudwa Power Industries	<p>1. Scope of work-Para-Here tender mentions "Solar off Grid system" but bi-directional meter is also asked for and PCU specification also asked for "Islanding protection" which are feature of Grid Tired PCU/Inverter. Hence this tender is for Hybrid System or grid connected system with battery backup and hence accordingly suitable rate to be given as per MNRE bench mark cost. Rate offered is for standalone as per MNRE benchmark cost, circular dated 15th June 2018. For Similar Project JREDA is offering rate as- 1 to 10k/Wp at Rs. 117/Wp, 11-25k/Wp at Rs. 110/Wp and 26 to above at Rs. 105/Wp.</p> <p>Hence necessary amendment may please be done.</p> <p>2. Nothing is mentioned about financial bid Hard Copy submission. (In which envelope)</p>	<ol style="list-style-type: none"> <li>As per RFP</li> <li>Bidder need not to submit financial bid in any envelope, it is to be submitted in soft copy on <a href="http://www.eproc.bihar.gov.in">www.eproc.bihar.gov.in</a></li> </ol>
